COMPTROLLER OF THE CURRENCY

Dear Paula L Linden

Thank you for being a valued Clinton National Bank customer. Banking continues to evolve and we work hard to provide our customers with a positive banking experience.

As we look towards the future, we have made the difficult decision to close our office at 301 Western Avenue, Delmar, Iowa, on June 6, 2025, at 5:30. The ATM will continue to operate for your cash and deposit needs. All your accounts and services will continue to be processed through other Clinton National Bank locations in Preston, Miles, Sabula, Andover, Camanche and Clinton, Iowa. For those of you that prefer a traditional banking experience, our dedicated staff at those nearby locations will be happy to help you with all of your banking needs. Most locations are open Monday through Saturday. The exact hours can be found on our website (clintonnational.com).

Our market-leading electronic banking services continue to be available, including Mobile Banking, Mobile Deposit, Phone Bank, Debit cards with rewards and PC Banking with free bill payment services.

Any person wishing to comment on this branch closing may file comments with the Director for District Licensing at 425 South Financial Place, Suite 1700, Chicago, IL 60605 or at LicensingPublicComments@occ.treas.gov. Comments should be received by the proposed closing date stated above.

If you have any questions, please call us at 563-243-1243. We appreciate the opportunity to continue serving your banking needs for many years to come.

Sincerely,

A handwritten signature in black ink that reads 'Jennifer L. Boysen'.

To whom it may concern,

I'm going to make a comment about Delmar Bank Clinton National Bank closing. First of all we have a town of 500 hundred which most people work out of town. So why would you only be open Monday, Wednesday & Friday till 4. Lots of people can't get there in time. Why wouldn't you guys be open on Fridays late and Saturday. Yes I could go to Preston which is 24 mins away or I could go to Clinton which is 47 mins away. But why when my bank is across town. You have three people working and the lobby isn't open.

Sincerely,
Paula Linden
